**WRIT PETITION No.8386 of 1997**

**ORDER:**

–

This writ petition is filed seeking a Mandamus directing the respondents to consider the case of the petitioner for regularization of his service as Tub Repairer in Category IV and to continue him in MK-4-Inc with all consequential benefits.

It appears that the petitioner joined the services of the respondent-organization in the year 1978 as a Coal Filler and thereafter, he was promoted as a general Mazdoor in 1996. Intermittently his services were also utilized as a Tub Repairer from 1993 onwards. Thereafter, from 01.06.1996 onwards his services were continuously utilized as a Tub Repairer/Making Mazdoor on the retirement of one B. Uppali, Maistry. Since then, the petitioner has been continuously working as a tub repairer. While so one Lanka Shanker was sought to be transferred in place of the petitioner without considering regularization of his services as Tub Repairer. Hence this writ petition

No counter is filed.

No interim order was made while admitting the writ petition.

The learned Counsel for the petitioner asserts that the petitioner is working as a Tub Repairer, even, as of now.

In view of this, without expressing any opinion on

merits, the respondents are directed to consider the case of the petitioner for being absorbed on regular basis in the post of Tub Repairer as per law and pass appropriate orders, if not already considered, within a period of two months from the date of the receipt of this order, as per law and communicate the same to the petitioner.

The writ petition is disposed of accordingly. No costs.
